Wagner Gourmet Foods, Inc. Unveils New Show Display

WILMINGTON, N.C. — Wagner Gourmet Foods, Inc. will unveil its new, exciting product display at the 43rd Annual International Fancy Food and Confection Show in New York City. The show booth is a 20- by 30-foot replica of a clipper ship – the ships that first brought Wagner & Sons quality products to the Philadelphia docks.

The show display was built especially for Wagner Gourmet Foods by Allen Randall of Scenic Associates, a non-profit scenic design company whose creations have been used in a number of theatrical productions.

Wagner Gourmet Foods, Inc. will showcase its current and new product lines, along with the new show display, at the Javits Convention Center in New York City. The show runs from June 29 to July 2. Trade show hours are Sunday through Tuesday from 10:00 am. until 5:00 pm., and Wednesday from 10:00 am. until 4:00 pm.
